

### Year 2 SATs Workshop

This week, parents/carers of children in Year 2 joined us in school for our KS1 SATs workshop where the attendees gained a better understanding of what SATs are, how they are delivered and how parents/carers can help support their child in preparing for them. Thank you to all who attended and for your continued support. For those families who were unable to attend this week's workshop, please access the workshop content using the following link: [PowerPoint Presentation](#)

### Football Match: Perry Hall v St.Antony's

On Thursday, Perry Hall's mixed team played against St Antony's. During the game we created some great passing and off the ball movement to create ourselves the best chances. Unfortunately, the result didn't go our way but to a well deserved team. The team worked hard in defence and we gave it our all. Super proud of you! Mr. B.

**A Place to Grow**

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

### World Book Day 2023

At Perry Hall, we endeavour to promote reading for pleasure and our World Book Day has certainly been a success! Children and staff throughout the school have completed a range of exciting activities to help celebrate reading and develop their love of reading!

We completed our first Writing Relay which our youngest of children began in the morning! They were given a mysterious storytelling box (holding different props) to begin writing a story about, which was then passed up throughout the school for all of our children to add to! We can't wait to share with you the stories we have created as a whole school family.

Children and staff came in dressed up as their favourite book character, or in 'bedtime clothes' - everyone looked fantastic! Classes, together, have been designing their own book covers for their classroom doors—our school environment is looking so vibrant and exciting!

Thank you to everyone who supported and contributed to making our World Book Day 2023 so memorable—a successful day of celebrating books and reading experienced by all!

### Don't forget our next PTA event: Family Afternoon Tea Party, to celebrate those who are special to us, for Mother's Day

### Miss Jones' Recommended Read of the Week

*Matilda is a wonderful story with lovely messages to inspire readers of all ages along the way. I have always enjoyed reading this book (and any of Roald Dahl's wonderful stories) since I was in primary school and even now!*

*Full of magic and mischief, this book tells us the story of a young girl who loves books; Matilda is brave, kind and only sees the good in the world. This story shows us that reading is powerful and that even if you're little, you can do a lot if you just believe in yourself!*
