

School Closure Today

Thank you for your understanding regarding this morning's school closure.

Home learning activities have been available for your child to access via the school website using the following link: [Class Information 2022/2023 | Perry Hall Primary School](#) (or on Teams channels for Reception). Please look within your child's Year Group drop down folder on the website.

For those with access to TTRS, please make use of this maths resource too.

Thank you.

Year 6 SATs Workshop

This week, parents/carers of children in Year 6 joined us in school for our KS2 SATs workshop where the attendees gained a better understanding of what SATs are, how they are delivered and how parents/carers can help support their child in preparing for them.

Thank you to all who attended and for your continued support. For those families who were unable to attend this week's workshop, please access the workshop content using the following link: <https://www.perryhall.co.uk/class-information->

Family Afternoon Tea Party, to celebrate those who are special to us, for Mother's Day

Thank you to those families who have replied to express their interest in attending the PTA's Afternoon Tea next week. We have had an overwhelming response! Once plans have been confirmed, we will inform you where to enter school and where you will be based. **As previously requested, donations of cakes and biscuits will be warmly welcomed from Tuesday of next week.** Thank you in advance.

Comic Relief 2023

The Events and Fundraising School Council Committee have been busy planning activities to help us raise money for Red Nose Day.

They invite you to 'dress for joy' for a voluntary donation of £1: pick a theme that makes you smile (like the Mr Men and Little Miss Comic Relief clothing range), don a home-made costume, go red from head to toe, or simply dig out your brightest socks: wear something that makes you and our school smile!

A Place to Grow

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

WOW– Walk to School

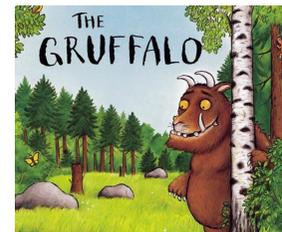

A huge thank you and well done to all who entered the 2023 Badge Design Competition. We had a wonderful time looking at all the colourful, creative entries - it was incredibly hard to narrow it down to three to be submitted.

We have also now reached the end of the Spring WOW walk of fame challenge. **Perry Hall finished in 4th place on the Local Authority Leaderboard!** Well done to all who have stayed active in their commute to school! The points are awarded for pupils logging active travel so thanks to all the families who walk, wheel, cycle, scoot or park-and-stride to school. The WOW walk to school project has huge benefits for our children's physical and mental health as well as reducing traffic congestion and pollution around school: keeping everyone safe and healthy!

Mrs Ferguson's Recommended Read of the Week

My recommended read for this week is *The Gruffalo*. This is a book that can be enjoyed by all (young and old), and is an award winning rhyming book by the author Julia Donaldson.

It is about a mouse who goes for a stroll through the woods and meets a fox, an owl and a snake who want to eat him. Therefore, he invents a Gruffalo to scare the animals he meets, but later on he comes face to face with a real Gruffalo who turns out not to be so scary.

Are you this week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes to learning.
