

World Down Syndrome Day— 'Wear Lots of Socks'

On Tuesday 21st March, children are invited to school wearing 'lots of socks' along with their usual school uniform. Whether this is wearing odd socks, sock accessories or extra socks, it all helps us to mark this important day where, in school, children will be discussing the meaning of World Down Syndrome Day and what it means to be an advocate of it.

Comic Relief 2023

Thank you for your kind donations today for Comic Relief. The children looked fabulous wearing red or something which sparked joy for them and had fun with their Lego design challenge of creating the 'best idea ever'.

Don't forget parents evening!

Parent Consultations

We are very excited to welcome parents and carers back into school on Wednesday 22nd March for our parent consultations (on Tuesday 21st for 3CF). During the evening you will have the opportunity to discuss your child's wellbeing, progress and attainment, take home their targets for this term and have a look through the wonderful work they have completed in their books. As ever, we value your feedback from our usual 'what's going well and even better if' board.

Please take this opportunity to visit our brand new library during your time in school, which will be opened on Tuesday 21st March by local author, Serena Patel during what will definitely be an exciting day for all!

Family Afternoon Tea Party, to celebrate those who are special to us, for Mother's Day

A huge thank you to the PTA members and helpers for pulling together yesterday's Mother's Day afternoon tea event. They and school were overwhelmed with the amount of interest shown in the event: the turn out was fantastic. Thank you for your support and kind donations. As future events are planned, the PTA, together with school, will consider the scale of such events to enable us to enhance the overall experience.

Important Dates

- 21.03.23— World Down Syndrome Day - 'Wear Lots of Socks!'

Perry Hall News!

Friday 17th March 2023

A Place to Grow

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

Congratulations to our Girl's Football Team!

Perry Hall v Corpus Christi

Congratulations to our girl's football team for their fantastic win this week and achievement of coming top of the Wolverhampton League!

From the kick off, the girls were straight into the game and worked hard to score our goals. Their goalkeeper did a great job and made it difficult for our girls. Girls- you have done yourselves and Perry Hall proud. We now move on to the semi-finals where our aim is to win the whole thing! *Mr B.*

MFL Community Club interest

Please use this link [MFL CLUB](#) to register your interest in Mr Gardner's Spanish after school club for one adult to attend with your child in KS2 during the Summer Term.

Singing Club Celebrate Sign Language Week

Well done to our Singing Club who made their debut in this week's assembly singing and signing along to Bruno Mars' 'Count On Me' to raise awareness of Sign Language Week. We look forward to more performances from them in the future!

Year 3's Visit to Lapworth Museum of Geology

Both classes in Year 3 have had a 'roarsome' time visiting Roary the Allosaurus at Lapworth museum this week, learning all about how fossils are formed and how palaeontologists study them to learn about how creatures lived in the past. Year 3 represented Perry Hall wonderfully during their visits - well done!

Mrs Russell's Recommended Read of the Week

The Owl Who Was Afraid of the Dark features a main character who is learning how to cope with challenges familiar to young children. Plop, a baby Barn Owl, is helped by animals and people he meets on his evening flights. They each explain that dark is exciting, fun, wonderful and necessary, helping Plop to overcome his fears.

A great story to help young children discuss and overcome their fears.

Are you this week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes to learning.
