

EYFS gates and car park

From after Easter, the front of school car park will not be accessible to parents/carers, with the main gates to the car park being closed. Therefore, you will no longer be able to use the car park to walk across to access the Twos or Nursery in the morning or when leaving the school site at the end of the school day. Please make use of and follow the path around the car park to access Twos and Nursery at the start of the day and if exiting the school site via the EYFS gate.

Also, for your information, from after Easter, Reception children will enter school via the main school gate as part of the transition throughout the Summer Term to be KS1 ready.

Year Group Visits to our School Library

It has been an exciting week this week as all of our children throughout school have been into our brand new library—the children have been blown away at the site of our library and are already enjoying it! They have had the opportunity to browse our book selection and some have even started to bring books home to enjoy.

Our Year 6 Reading Buddies and Librarians are very keen and excited to ensure the library runs as smoothly as possible and look forward to supporting children throughout school, ensuring they can borrow and return their books easily. There will be a letter coming out today outlining expectations of borrowing and returning books for your reference.

REP— Staffing Update

We would like to say a huge thank you to Mrs Hyde and Mrs Main who have been class teachers in REP during the Spring Term. We wish them well with their next endeavours. After the Easter break, we will be welcoming Mrs Peake as a member of our teaching staff at Perry Hall. She is very much looking forward to becoming REP class teacher and getting to know our children and our community.

A Place to Grow

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

Happy Easter

Thank you for all of your support during this extra busy Spring Term. There have been many, many successes. The children, as always, have made us exceptionally proud. Thank you also to those families who joined us throughout the term for an array of events including parental workshops, fabulous finishes, stay and play sessions, parent consultations etc.

Our school council representatives had a hard choice to make judging the Easter egg decorating competition: they were all amazing! Congratulations to our winners across school:

Harrison G (1DL), Cillian B (1CN), Dallas G (2HH), Millie G (2LT), Amelia D (3CF), Lyla G (3AG), Thomas K (4MR), Archie GB (4SW), Olivia B (5MJ), Charlie P (5JS), Tom P (6JP), Cerys G (6MH). Congratulations also Amelia C (Nurs) for being our EYFS entry.

Have a great Easter break and we look forward to seeing your child back in school on Monday 17th April for an exciting Summer Term.

EYFS Easter Stay and Play Sessions

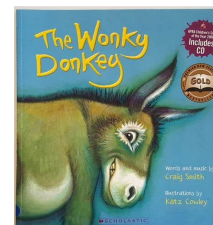

This week, we have welcomed parents and carers to join their children in various Easter themed Stay and Play sessions across our EYFS provisions. It has been wonderful to see children in an array of beautifully decorated Easter bonnets as they arrived each day. The children were very excited to share their time in school with their grown ups, celebrating Easter with crafts, stories, play and songs. We hope this kicked started your Easter break in an exciting way!

The Early Years' children who created Easter bonnets all looked fantastic - thank you for your input and support in making these.

Mrs Wootton's Recommended Read of the Week

My recommended read is The Wonky Donkey by Craig Smith.

This is a fun rhyming story about the journey of a bird and a donkey. The farther they travel, the more ridiculous the rhymes become, culminating in a laugh out loud final description of the donkey.

The book helps young readers learn repetition, rhyming and importantly the joy of reading. All my family thoroughly enjoy this book.

Nursery Library Visits throughout the Spring Term

The children in Nursery had lots of fun as they went on their very first visit out of school to Wednesfield Library. While there, they all listened well to the librarian as she read them a story and they joined in singing nursery rhymes altogether.

Each child became a member of the library and received their very first library card. They all then had an opportunity to look at the books and choose their favourite book to take home. Nursery staff were so proud of how well all of the children behaved on their very first Nursery outing! Well done Nursery!

Year 3 Food Technology Day

On Monday, Year 3 celebrated their Rocks and Fossils topic by taking part in a exciting day of cookery as they made their very own cheese and onion pasties. With the humble pasty playing a key part of a miner's lunch, it was the perfect way to bring together our learning on the topic.

Children chose their own ingredients, prepared and mixed their filling, crimped their pasty and even added their own initials for that personal touch. Children also learned about the diets and significance of miners in our local area.

The day was a huge success with children and their adults taste-testing pasties, comparing a shop-bought alternative and completing evaluations. Well done to everyone for a delicious and fantastic day!
