	<table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="width: 50%;">Key vocabulary</th> <th style="width: 50%;">Prior knowledge</th> </tr> </thead> <tbody> <tr> <td style="text-align: center;">  frock  astonishment  savagely  fiddly   </td> <td style="text-align: center;">  <i>disease</i> Test your partner on the different strategies we can use to retrieve from a text. </td> </tr> </tbody> </table>	Key vocabulary	Prior knowledge	 frock  astonishment  savagely  fiddly  	 <i>disease</i> Test your partner on the different strategies we can use to retrieve from a text.	GT 1
Key vocabulary	Prior knowledge					
 frock  astonishment  savagely  fiddly  	 <i>disease</i> Test your partner on the different strategies we can use to retrieve from a text.					

 Let's activate our vocabulary 

Using the pictures to help you, can you match the definition to the word?

<u>frock</u>	<u>astonishment</u>	A pretty dress
		surprise/amazement
<u>savagely</u>	<u>fiddly</u>	Rudely
		Tricky, hard to complete/do

 LO: To answer mixed domain questions 

You have an extract from the book 'Bill's New Frock'. This is from the beginning of Chapter 1.

Have a read through the extract. Use a highlighter/pencil to locate key information you might think is useful. 

 If you have an adult or sibling available, you could try and read the text to them!

Have a go at these questions

Domain	Question
	1) What did Bill realise when he woke up?
	2) Why was Bill scowling?
	3) What is the name of Bill's cat?
	4) Using the first paragraph to help you, define what a 'frock' is.
	5) Find two things that Bill has done as a girl that he would also do as a boy.
	6) Create a summary of what has happened to Bill.
	7) What do you think happens after Bill hears the laughter?

Domain	Question
	1) What has happened to Bill after he woke up?
	2) What is the name of Bill's cat?
	3) Why did Bill stare in horror at the mirror after his mom put the dress on?
	4) What does the word 'fiddly' mean? Use the second paragraph to help you.

Self Assessment

TA	Can I successfully answer mixed domain questions by ...?	SA
	Recognising which domain a question relates to	
	Considering which	
	Highlighting the key text	
	Skimming and scanning	
	Key vocabulary	
	Skimming and scanning to find key words/ information	
	<div style="display: flex; justify-content: space-between;"> <div style="width: 45%;"> <p>Key vocabulary</p> <p>frock astonishment</p> <p>savagely fiddly</p> </div> <div style="width: 45%;"> <p>Prior knowledge</p> <p>Test your partner on the different strategies we can use to retrieve from a text.</p> </div> </div>	<p><i>disease</i></p> <p>GT 1</p>

How did you find these questions? Did you find them easier or more difficult than the questions from yesterday?
