### Year 6....

The whole school would like to say an extra special well done to our Year 6 pupils this week who have sat their KS2 SATs tests. They have shown great confidence and determination when tackling these assessments— we are extremely proud of them.

To our Year 6 parents/carers: As your child's transition to secondary school approaches, parent/carer and pupil worries may increase. A parent/carer workshop entitled, 'Transition Tips', is being held at Low Hill Strengthening Families Hub on Thursday 18th May at 9.45am. Tried and tested tips to help a smooth transition will be explored to help you plan for a successful transition and identify the things that are important for your child's transition. To book on, please access the link below:

### Perry Hall's Celebrations for King Charles III's Coronation

Last Friday, the children and staff of Perry Hall had a fantastic morning celebrating the King's coronation. During lessons, the whole school learned about the significance of the coronation: making their own crowns after looking at the St Edward's Crown, designing their own emblems from analysing the King's, identifying the important events and artefacts used in the coronation, creating their own proclamation for our new King and creating a biography of King Charles III.

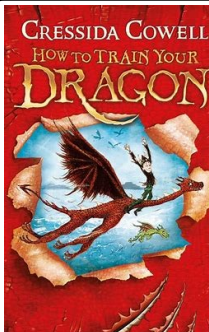

The children all had a wonderful picnic lunch together, with the weather holding off so our older children could experience it outdoors. Following this, we all came together in the hall, in a glorious sea of red, white and blue, to celebrate our monarch. We sang together - giving King Charles

III the biggest cheer he's ever heard - and Ellie G from Year 6 read a poem she had written to commemorate the event.

Thank you to Perry Hall's PTA for providing children with their keepsake coin to remember this once in a lifetime event.

### Mr Worton's Recommended Read of the Week

'How to Train your Dragon' is an excellent story of the underdog Hiccup overcoming the odds to become leader of the Hairy Hooligan Tribe. I enjoyed reading about him forming a bond with Toothless the dragon until they eventually become inseparable.

Overall, I really enjoyed this story and would highly recommend it to anyone interested in dragons.

### Are you this week's star of the week?
