

Thursday 22nd June 2023

Dear parents/carers,

The time is nearly upon us for our children within Year 3 to move to Year 4. During the forthcoming academic year, your child will complete the statutory Multiplication Tables Checks – they will complete this in June 2024.

To best help to support you and your child with this, we would like to invite you into school on Wednesday 28th June, at 2.30pm, to participate in a workshop with your child and their class teachers.

This will be an opportunity for you and your child to work collaboratively and complete unofficial times tables check with an element of fun and explore their TTRS account. The aim of this session is to continue to raise the profile of the multiplication tables check and give you valuable information about the upcoming MTC's whilst providing you with additional resources to further support your child at home.

Please return the below slip to your child's class teacher by **Monday 26th June 2023** to enable us to prepare for this session.

Thank you for your continued support,

Mrs Gibbins
Head of School

MTC Parent/Carer Workshop

I _____ will be attending my child _____'s

Multiplication Tables Check workshop in class _____ on **Wednesday 28th June – 2.30pm – 3.15pm.**

Signed _____ Date _____
