

28th June 2023

Dear parent/carer,

Falconry Workshop.

As the end of this academic year approaches, we are keen to organise an educational end of year treat for the children in line with this term's Year 2 topic, Flight. We have arranged for a visit from the Falconry Society for Year 2 on Thursday 13<sup>th</sup> July 2023. The children will have the opportunity to see a variety of falcons and owls and watch them fly. They will also learn about how early inventors of flying machines used the mechanics of bird flight to inform their own ideas and inventions.

The cost of this experience is £5.00 per child, to be paid no later than Friday 7<sup>th</sup> July 2023 via Parent Pay. We ask that you provide consent for your child to take part in this experience by completing the permission slip and agree to making the £5.00 payment.

Thank you for your continued support.

Yours sincerely,

Mrs Gibbins  
Head of School.
