

EYFS Parent Events

Autumn Term

2023-2024

At Perry Hall Primary School we will, once again, be offering parents/carers an opportunity to attend a range of parent workshops and 'stay and play' sessions throughout this year. The 'stay and play' sessions give you an opportunity to see your child in school in their learning environment.

By attending the workshops, you will gain an understanding of how best you can support your child at home and they will also help us to ensure a consistent approach between home and school. This will benefit your child enormously.

We have also detailed upcoming events and activities your child will be taking part in this term. We hope you will find these useful. More details will follow closer to each of their dates.
