

## KS1 Parent Events

### Spring Term

2024

At Perry Hall Primary School, we are offering parents/carers an opportunity to attend a range of parent workshops throughout this year.

By attending these workshops, you will gain an understanding of how best you can support your child at home, helping us to ensure a consistent approach between home and school. We believe this will benefit your child enormously.

We have also detailed upcoming events and activities your child will be taking part in this term. We hope you will find these useful. More details will follow closer to each of their dates.
