Dear parents/carers,

**Re: Summer Term Workshops**

We hope this letter finds you well. On behalf of Perry Hall Primary School, we want to extend our heartfelt gratitude for your active participation and engagement during the autumn and spring workshops.

The feedback we received following the workshops was overwhelmingly positive and it is truly heartening to know that our efforts to involve parents and carers in their children's education has been so positive. Your presence and involvement has been appreciated by pupils and staff alike.

As we transition into the summer term, we wanted to inform you that parent/carer engagement opportunities within the school will be slightly different. We have exciting plans in store to offer you a firsthand experience of learning in action.

Throughout the summer term, we will be hosting a variety of events and sessions aimed at showcasing different aspects of our curriculum and extracurricular activities. These include:

- Getting a glimpse into our language programme and learning some Spanish in our interactive taster sessions.
- Discovering the creativity and talent of our pupils as we showcase their artistic endeavours through exhibitions and performances.
- Joining us for exciting sporting events such as Sports Day.

Further information regarding each event will be provided closer to the time. Please note, timings of the events are in-line with each year group's timetable to avoid disruption to pupil learning.

We believe that these opportunities will provide valuable insight into your child's educational journey. We look forward to welcoming you to our upcoming events and witnessing the collective growth and achievements of our school community.

Thank you for your continued support.

Mrs Robinson and Mrs Dodd  
Assistant Headteachers
