**RE: Message**

Dear Parents and Carers,

I hope this letter finds you all in good health and high spirits. I am writing to inform you about my return to school after a brief absence. While I am excited to be back, it is important for me to share that my capacity may be limited initially. However, I want to assure you that our dedicated team will continue to provide the support and guidance for your children.

Over the coming weeks, my presence at school will gradually increase as I regain full strength. During this time, I kindly request your understanding and patience. Rest assured, my commitment to our school and your children's education and well-being remains paramount.

I would like to take a moment to express my heartfelt gratitude to our incredible staff for their unwavering dedication and support. Their hard work and dedication ensure that our school continues to be a nurturing and enriching environment for your children. I am truly fortunate to work alongside such a remarkable team.

Lastly, I would like to extend my deepest appreciation to all the parents and carers who have shown understanding and support during my absence. Your messages of encouragement and well wishes have been a source of great strength for me.

I look forward to being back at full capacity and actively engaging with the children, parents, and carers. If you have any questions or concerns, please do not hesitate to reach out to me or any member of our staff.

Thank you once again for your continued support.

Warm regards,

Mr. L Fellows  
Headteacher
