

<p>Please select one piece of homework to be completed each week.</p>	<p><u>Year 4 Homework Tasks</u> <u>Summer 2025</u></p>	<p>Please hand in your homework on Thursdays. Any digital homework can be sent to perryhallprimaryschool@wolverhampton.gov.uk</p>
<p>Our science learning this term is focussed on states of matter. Can you answer the question: What different solids, liquids and gasses can you find in your house?</p> 	<p>Our DT learning this term is focussed around cooking ratatouille. Can you make a recipe for a meal of your choice?</p> 	<p>Our geography learning this term is focussed around South East England. Can you compare the climates between Mediterranean Europe and South East England?</p> 
<p>Our music learning this term is focussed on practicing the ukulele. Can you create your own song lyrics for a song to play on the ukulele?</p> 	<p> Our art learning this term is focussed on mosaics. Can you create your own mosaic inspired by the Roman Empire?</p>	<p>Our history learning this term is focussed around The Stuarts. Can you answer the question: Who was King James? What do you know about the Gunpowder plot?</p> 
<p>Our computing learning this term is focussed on programming letters? Can you create your own class logo?</p> 	<p> Our PSHE learning this half term is focussed on being my best! Draw a picture of you and someone you are friends with. What makes you different? Label the pictures.</p>	<p>Our MFL learning last term was focussed on the seasons. Can you write a sentence about one of the four seasons and draw a picture to match it?</p> 
<p>Please present your answers to the above questions in any way you choose – picture or artwork, writing, PowerPoint presentation, short film, poster, comic strip... or any other way you can think of!</p>
