

During Spring Term 2026, in Year 6...

As writers we will...

continue our exciting whole school approach of Talk For Writing. This aims to develop our children as readers, writers, speakers and listeners by using Macbeth to retell the story using the character toolkit and also write an emotive letter.

As readers we will...

continue to develop our skills in language understanding, retrieval of information and inference. We will continue to improve the children's fluency and speed of reading.

As mathematicians we will...

- Look at decimals, including finding equivalent decimals and fractions
- Look at percentages, including finding equivalences in decimals and fractions.
- Calculate percentages of amounts
- Identify and calculate angles

As scientists we will...

look at electricity. Exploring voltage, components of a circuit, identifying why a circuit doesn't work and also investigate how output affects a circuit.

In PSHE we will

discuss bullying, prejudice and respecting people. We will also be looking at how we keep ourself safe online.

During Spring Term 2026, in Year 6 ...

As historians we will learn
about World War 2 – the
causes and key events.

As geographers we will
learn about British Geographical
Issues including air pollution, waste
and litter and climate change

As computer technicians we will

Complete our webpage creations and then begin to do 3D modelling
using tinkerCAD.

As designers we will

make a Greek mezze including
tabbouleh, kofta, tzatziki and baba
ghanoush.

As musicians we will

explore protest songs and focus
on artists Nina Simone, Bob
Dylan and Woody Guthrie.

As artists we will

explore
Renaissance
Architecture and
Sculpture

In RE we will

Continue to look at
comparing religious and
non-religious views and
understand the
concepts of peace,
justice and forgiveness

In MFL (Spanish) we will

learn words and phrases that will
enable us to talk about what we do
at the weekend including time.

In PE we will

be playing a variety of
games to develop our
leadership skills

Key Information

Our PE day is on a Monday.

Please ensure your child attends school in the full correct PE kit (no logos or branding) on this day, as detailed in your child's school planner.

Please ensure you have checked your child's planner for updates on term dates, our behaviour expectations and uniform standards.

Homework

Homework	What is it?	When is it handed out?	When to send it back in to school.
Reading	School reading book	When returned.	Books to be returned daily to allow your child to read with an adult.
Spelling	Your child will record tricky words from their spelling sessions in their planner and bring these home to practise.	The planner is regularly updated by your child.	Every day to be updated.
Maths	A sheet with the answers on the back for you to check with your child.	Friday	Friday
English			
Wider curriculum	At the start of term, a grid of suggested activities will be sent home for your child to complete throughout the term.		Thursday (if an activity has been completed)

Our Core Values

A message from the year group team:

We hope you have enjoyed the Autumn term and are feeling motivated for everything that's to come in the Spring term. We have lots of exciting topics and activities ahead, including the Year 6 residential, which is always a great success. For pupils remaining in school, an enriching in-school project will be undertaken. In addition, we are looking forward to Storytelling Week, Science Week, and World Book Day, along with many other events throughout the term.

Please ensure your child is attending all school days possible and is on time for each of these days. As we begin the term before their SATs every learning day is vital in Year 6.

We can't wait for another brilliant term of learning and experiences!
